

New Zealand Ergonomics Society Inc.

PO BOX 802 PALMERSTON NORTH, NEW ZEALAND

May 2004

Features of NZES Membership

- ✓ National Conference every 18 months (although this may become an annual conference) featuring:
 - International keynote speakers
 - Opportunity to present research
 - Opportunity to listen and 'discover' other research happening within NZ
 - Opportunity to exchange experiences in the practice of ergonomics
 - Opportunity to access 'trade show' presentations and stalls on ergonomics products and education
- ✓ Website access
- ✓ Quarterly newsletter
- ✓ Regional Ergonomics Interest Groups (still to become operational in some areas)
- ✓ Opportunity to become a Certified NZ Ergonomist (via the Board for Certification of New Zealand Ergonomists, BCNZE). This scheme has the potential to be endorsed by the IEA, facilitating practice as an Ergonomist worldwide.
- ✓ Opportunity to become a member of the NZES Committee
- ✓ The NZES is a federated society of the International Ergonomics Society.

Potential Benefits of NZES Membership

The potential benefits differ depending upon individual perspectives and may include:

- ✓ The opportunity to liaise and network with others interested in ergonomics, nationally and internationally
- ✓ Opportunity to shape the future of NZ Ergonomics
- ✓ Ability to keep up with state-of-the-art Ergonomics in NZ
- ✓ Peer support
- ✓ Standing in the ergonomics community (and professional standing with BCNZE membership)
- ✓ Information on training providers in New Zealand
- ✓ Ability to access national and international information.
